| <b>10:00</b> | <b>5. Health Education in Public Schools</b> <p><i>At its June meeting, the Committee considered a proposal by Rep. Lynn N. Hemingway to create a two-track system for sex education in public schools based on 2009 North Carolina legislation. One track would be limited to an abstinence-only approach. The other track would provide additional information. Each track would be available only with parental consent. The Committee received public testimony on the proposal and related issues and asked Rep. Hemingway to provide additional data on the effectiveness of abstinence-based and other approaches.</i></p> |

*The Committee will continue its consideration of sex education in public schools. This will include receiving additional testimony about programs used in Utah schools and their effectiveness.*
